KAYSVILLE JUST GOT A NEW RESIDENT; AND THEY'RE BRINGING GREAT TASTE AND WHOLESOME LIVING

Kneaders Bakery & Café opens newest location in Kaysville, Utah with a special mission to provide exceptional service to all aspects of the community.

Kaysville, Utah – Kneaders Bakery & Café is now serving their mouth-watering pastries, delicious sandwiches and unforgettable bread to residents of Kaysville, Utah. The premier, fast-casual restaurant and retail shop will open their 21st location in Utah with a formal ribbon-cutting hosted by the Kaysville Chamber on April 21 at 4:30PM at 1324 West 200 North Kaysville, UT 84037.

To celebrate the arrival in Kaysville, Kneaders is offering a free meal of Chunky Cinnamon French Toast to the first 100 customers attending the grand opening festivities on April 19 and 20.

"Kneaders Bakery & Café is overwhelmed with the positive response and warm welcome from the Kaysville community," said James Worthington, CEO. "We look forward to being a part of the Kaysville community through local partnerships with non-profits and community outreach efforts; and by bringing people together with an array of fresh and made from scratch menu options."

"We are excited to welcome Kneaders to Kaysville as they are true examples of social stewardship, helping to strengthen both the economy and entire community," shares Mayor Steve Hiatt of Kaysville City. "Their efforts to donate quality products to the LDS Bishops Store House and contribute financially to Davis High School are fine examples of their commitment to ensure we grow and succeed as a community."

The Kneaders family is focused on helping make significant contributions to strengthen the health, well-being and educational goodness of the Kaysville community. "We are proud to announce that the unused bread baked in our Kaysville location will be donated to the Kaysville LDS Bishops' Storehouse," shares Tovik Olsen, Store Operator of Kneaders in Kaysville. "We understand what it means to be part of the Kaysville community, and providing for those in need within the community is essential to a strong and prosperous city." A partnership with the LDS Bishops' Storehouse is one of the many ways the Kaysville location plans to give back to the community. In addition, 10 percent of sales on opening weekend will be donated to benefit Davis High School.

The Kaysville location will include a retail shop, online ordering capabilities and drive-thru service. Hours of operation will be Monday through Saturday from 7 a.m. – 10 p.m.

Utah local, Tovik Olsen, is the Store Operator of the new Kaysville location. A member of the Davis Chamber of Commerce, Tovik's ties to the community, as well as his historic expertise and dedication to Utah, will create an unparalleled experience for patrons. "I chose to join Kneaders because of their love for family and the caring relationships they build with people," said Olsen. "I love that I get to be a part of such a passionate, service-driven culture with my own customers, every day."
